

# Toys for Tots Registration Information

October 1 through November 23, 2010

The Toys for Tots program was created to give families support during the holidays by providing a limited number of gifts for eligible children. This program is intended to supplement the gifts provided by parents/family and is not intended to be the sole source of gifts. In this regard, the amount of toys provided each family may vary according to supply, anticipated demand or availability. All sites accept the first 50 people a day.

In order to make the most effective use of resources, sign-up information including names and addresses of program recipients will be shared with Metropolitan Ministries and The Salvation Army. By submitting your personal information and requesting the benefits of program participation, you have agreed to allow the Toys for Tots Program to share your information with these agencies.

## Eligibility Requirements:

- Proof of child's age: must be age 12 and under
- Current 2010 AFDC/Food Stamps or Letter of Medicaid/Public Assistance DCF/ESS eligibility
- Kid Care/Health Kids
- WIC
- All children must live in Hillsborough County

## Things to Remember:

- Proof of child's age may be provided by the birth certificate or school record.
- Family members or representative picking up toys must bring ID that matches information given at the time of registration.
- Pick up will be at a designated site and time. No exceptions will be made.

**PLEASE NOTE: YOU MUST PICK UP ON THE DATE BELOW OR RISK LOSING THE TOYS.**
